

## NO GATES AT CROSSINGS

Of The B. & O. Railroad Tracks In This City

Commission Turns Down Mt. Vernon's Request

Without Making Any Explanation Whatever

May Buy Land For Cemetery Purposes Without Suit

A New Voting Place Established In The Second Ward

Council's appeal to the public service commission of Ohio, made several weeks ago, following a resolution passed to the effect that action be taken toward securing gates at the B. & O. crossings at Chestnut, High Vine and Gambler streets, has been turned down without explanation and the matter, as it now rests, is exactly as has been the case heretofore. The general public of Mt. Vernon will be subjected to a continuance of the hourly danger of fatal accidents at all four of the crossings. The communication announcing the action of the commission was dated August 6th.

Mr. Cole moved that the city solicitor be instructed to take up the matter again with the public service commission and, if possible, influence that body to take some favorable action toward the allowing of the safety gates. Success on the part of the solicitor, however, is extremely doubtful.

Hon. L. B. Houck addressed council and made known his terms pertaining to the proposed purchase, by the city, of a section of land, belonging to himself, to be used for cemetery purposes. He stated that he has never before had any opportunity to make a proposition to the city, relative to the section in question, and that an agreement might easily have been reached long ago without the condemnation suit that was brought against his property.

He agreed to accept the amount of \$1,200, which was fixed by the court as the value of the tract, and further agreed to withdraw his suit, now pending in the probate court, for \$150 attorney fees that were included in the above amount on condition that the city accept his terms and purchase the ground for \$1,200. Mr. Clifton moved that the ground be purchased at the above named amount. The motion carried.

A report by Mayor Perrine for the month of July showed the sum of \$23 collected for licenses. The report was received and was placed on file.

An ordinance was introduced fixing the voting place in precinct B of the 2nd ward at the Pugh store room on West High street. It was legally read for the second and third times and was passed.

Adjourned for two weeks.

## DENIES CIGARET SMOKING STORY

Mrs. Wilson Writes Caustic Letter to Ohio Editor.

GOVERNOR'S WIFE IS INDIGNANT

Declares That She Detests the Habit and That Coffin Nails Have No Place in Her Household—Syndicate Story Probably Originated in Interview With Mrs. Wilson Woodrow, the Writer, Who Favors Smoking by Gentler Sex.

Sea Girl, N. J., Aug. 13.—Broadcast publication of a newspaper syndicate story to the effect that Mrs. Woodrow Wilson not only favored the smoking of cigarettes by women, but even had three cigarette boxes close at hand when the interviewer questioned her on her opinion of the views expressed by Gertrude Atherton, has made the wife of the presidential nominee most indignant.

### MRS. WOODROW WILSON

Declares She Hates Cigarettes and Denies Syndicate Story.

Mrs. Wilson does not smoke; no member of her family smokes, much less herself or her daughters. She intensely dislikes the smoke habit in women, which may be a tip to Washington society women.

Mrs. Wilson did not know anything about the interview until clippings and editorials began to reach her. She stood it until the editor of the Ohio State Journal sent a clipping, and then Mrs. Wilson's patience gave way. She wrote the following letter, and she breaks her usual rule by hoping that it obtains general circulation. It is as follows:

"Dear Sir—I have just received a copy of the Journal with your editorial entitled 'Smoking Women,' and I beg leave to indignantly deny the statement that I approve of women smoking cigarettes.

Interview Pure Invention.

"The interview upon which your editorial was based is a pure invention. I intensely dislike the cigarette smoking habit for women; in fact, so strong is my feeling on the subject that my real danger lies in being unjust and unkind in my judgment of those who differ with me in this respect.

"But certainly no woman in our household ever has or ever will smoke, quite apart from the bad taste of it. I believe with you that it has an extremely injurious effect on the nerves."

Back of the interview and the subject of it lies a little mystery which Governor Wilson himself and other members of his family believe may be due to a confusion of names.

There is a Mrs. Woodrow Wilson, also there is a Mrs. Wilson Woodrow. The one is the wife of the presidential nominee and the other is a well-known writer. Mrs. Wilson and Mrs. Woodrow were once relatives, for the writer was married to a cousin of the governor, Mrs. Wilson Woodrow, according to all reports by the persons who have been investigating the source of the interview, does smoke.

The explanation is that some editor or interviewer got the two women mixed and sent out Mrs. Wilson Woodrow's views as those of Mrs. Woodrow Wilson.

### ARE FAR APART

House and Senate Unable to Agree on Sugar Schedule.

Washington, Aug. 13.—Present indications are that the Underwood excise tax bill will fall of passage at this session. The fate of this measure is dependent on the result of the conference between the two houses on the senate bill providing a reduction in tariff rate on sugar instead of admitting the product duty free as provided in the house bill. A conference on the sugar bill will be held today. The two houses are widely separated on sugar and the Democrats expect to see this bill, as well as the excise measure, fall in conference.

## SUIT FILED

By The Upham Gas Co. And Property Attached

On Tracks Of The Pennsy Company At Bangs

Other Items Of Interest From Temple Of Justice

The Upham Gas Company has commenced a suit in the court of common pleas of Knox county against the Contractors Machinery and Supply Company. The plaintiff states that on July 13, 1912, they sold to the defendants a gas pumping station, including a large amount of machinery. The contract price was \$4,000. The allegation is made that the defendants paid the sum of \$1,000 when the contract was made and agreed to pay the remainder after the machinery had been loaded on cars at Bangs, O., Knox county. The plaintiff states that the machinery has been loaded and is now on the cars on the Pennsylvania railroad at Bangs, but that the defendant refuses to pay the balance of the contract price. The plaintiff seeks to recover the sum of \$3,000 and also asks for a writ of attachment on the said machinery now loaded on cars at Bangs. A writ was issued late Monday afternoon and the property was attached at Bangs by Deputy Sheriff Woolson on Monday evening. L. C. Stillwell is the attorney for the plaintiff in this action.

Inventory and Appraisal.—In the matter of the estate of Joseph S. Sutton, late of Centerburg, an inventory and appraisal has been filed in the probate court of Knox county, showing the following: Personal property \$229.25, real estate \$16,760. Total \$17,989.25.

Account Filed.—Lee D. Ashburn, administrator of William Ashburn, has filed a first and final account in probate, showing the following: Received \$1,048.20, paid out the same sum.

First and Final.—Jennie Harris, trustee of Howard D. Burson under the will of James Burson, Sr., has filed a first and final account in probate. It shows the sum of \$1,045.56 received and the same amount paid out.

Deeds Filed.—T. C. McCalla to Wm. Magers, lot 2, Block P, Vernonview, \$125. G. E. Purdy to Lewis D. Purdy, 27 acres in Harrison, \$1.

## KILLED

By A Train Were Four Men At Mansfield

Mansfield, O., Aug. 13.—Four foreigners were instantly killed and a fifth is dying in the emergency hospital here as a result of the hand car on which they were returning to their camp, north of Mansfield, being struck by a returning excursion train about 10 o'clock last night.

Six foreigners were in the party, and they had taken one of the hand cars in the camp, five miles north of Mansfield, to come to the city for a joy ride. They remained in several of the resorts in the northern section of the city and started back on the return trip about 10 o'clock. They had reached the city limits and were going at a good rate of speed when a Baltimore and Ohio excursion train came in sight. It is thought that the laborers failed to note the approach of the train, as the sole survivor of the party was unable to give any account of the accident.

The train crashed into the hand car with such force that the bodies were jammed under the engine and stopped the train. All were badly mutilated, while the one in the hospital cannot survive.

Mr. and Mrs. Samuel Scott of Los Angeles, California, who are spending the summer at the home of Mr. and Mrs. J. A. Moffit, Mt. Vernon, went to Fredericktown Tuesday morning to visit with Mrs. Jennie Ball.

## DR. L. F. VOKE

WILL MAKE HIS 194th Visit to Mt. Vernon Monday, Aug. 26th

Curtis Hotel 9 a. m. to 6 p. m. DAY ONLY PRACTICE LIMITED To the Treatment of Chronic Diseases by New Methods.

L. F. VOKE, Ph. C., M. D. Graduate, Ohio State University, Sterling Medical College, Columbus, Ohio. Eight years of College and University training in the treatment of CHRONIC DISEASES OF MEN AND WOMEN.

Symptoms Most Common to chronic sufferers are weakness, nervousness, depression, sleeplessness, discouragement, lack of ambition, failing memory, vertigo of ideas, poor circulation, headache, dizziness, loss of appetite, indigestion, palpitation and fluttering of the heart, weak and tremulous limbs, worry, fear, pains in head, back, abdomen or joints, cough, various aches, chills and fever, or a feeling of coldness, swelling of hands and feet, dry or clammy skin, constipation, bad taste in mouth, loss of stomach and bowels, weak back, soft and flabby flesh, faintness, irregular vision, ringing, buzzing and other symptoms incident to chronic disease peculiar to men and women. Many are not exactly sick, but some chronic affection is sapping their vital forces. They attend to daily duties but life has become a drag and lost much of its pleasure.

Every Afflicted Man and Woman should know these symptoms. They are nature's warning that something is wrong—a cry for help. Temporary relief can be obtained, but the disease must be discovered and removed.

Remember, that nearly every chronic disease, if taken in time, can be cured by proper treatment. Neglect only leads to more serious results. Do not put off a matter of such vital importance. Your health and life depend on your physical and mental condition. Do not let the doctor, by name or nature, tell you that you are incurable. You are not incurable. You are chronic and amenable to home treatment. You are invited to call or write depending on the nature of your case. Consultation, examination and advice free.

DISEASES OF WOMEN Ninety per cent of women suffer from some form of female weakness. Many, in secret, are living miserable, unhappy lives. Do not let modern society deceive you. Do not let home treatment or the doctor tell you that you are incurable. You are not incurable. You are chronic and amenable to home treatment. You are invited to call or write depending on the nature of your case. Consultation, examination and advice free.

DISEASES OF MEN Nine per cent of men suffer from some form of male weakness. Many, in secret, are living miserable, unhappy lives. Do not let modern society deceive you. Do not let home treatment or the doctor tell you that you are incurable. You are not incurable. You are chronic and amenable to home treatment. You are invited to call or write depending on the nature of your case. Consultation, examination and advice free.

Why Consult Dr. Voke? He has made regular monthly visits to this community for fifteen years and has established a permanent practice here. His charges are so fair and reasonable that the poorest working man or woman need not hesitate to apply for treatment. Most important of all, do not get off treatment until completely cured. Complete cures are given. A few days of absolute rest and complete cure is guaranteed. Write for Free Booklet, "Chronic Diseases of Men and Women." Address all communications to Dr. L. F. Voke, M. D., 370 WEST SIXTH AVE., COLUMBUS, OHIO.

## A Cure From The Forest

Nature in her wisdom and beneficence has provided, in her great vegetable laboratory, the forest, a cure for most of the ills and ailments of humanity. Work and study have perfected the compounding of these botanical medicines and placed them at our disposal. We rely upon them first because of their ability in curing disease, and next because we can use them with the confidence that such remedies do not injure the system.

Among the best of these remedies from the forest is S. S. S., a medicine made entirely of roots, herbs and barks in such combination as to make it the greatest of all blood purifiers and the safest of all tonics. It does not contain the least particle of harmful mineral. S. S. S. cures Rheumatism, Catarrh, Sores and Ulcers, Scrofula, Malaria, Skin Diseases, Contagious Blood Poison and all other diseases dependent on impure blood. As a tonic S. S. S. builds up the system by supplying a sufficient amount of vigor and nourishment to the body.

S. S. S. always cures without leaving any unpleasant or injurious effects. It is perfectly safe for young or old. Book on the blood and any medical advice free.
